

**Graphic Organizer Activity 1**

1

## Approaches to Psychology

**Directions:** Below is a list of several psychologists and several approaches to psychology. Complete the graphic organizer by sorting the different approaches into historical and contemporary categories. Then match the psychologists with the approaches they helped to develop. Not all approaches have a psychologist associated with them.

- |   |   |  |   |
|---|---|--|---|
| functionalism<br>William James<br>inheritable traits<br>Sir Francis Galton<br>Sigmund Freud | behaviorism<br>Ivan Pavlov<br>John B. Watson<br>psychoanalysis<br>humanistic psychology | Abraham Maslow<br>Carl Rogers<br>Wilhelm Wundt<br>B.F. Skinner<br>sociocultural psychology | biological psychology<br>cognitive psychology<br>Jean Piaget<br>structuralism |
